

§ 5.603

§ 5.601 Purpose and applicability.

(a) This subpart establishes definitions and requirements concerning income limits for admission, annual income, adjusted income, total tenant payment, utility allowances and reimbursements, and reexamination of income and family composition for:

(1) HUD's public housing programs, including its public housing homeownership programs.

(2) Housing assisted under section 8 of the United States Housing Act of 1937 (the 1937 Act) (42 U.S.C. 1437f).

(i) Section 5.613 (Total tenant payment) and the definitions of "tenant rent" and "total tenant payment" found in § 5.603 do not apply to the Section 8 Rental Voucher Program.

(ii) Section 5.615 (Utility reimbursement) and the definition of *utility reimbursement* found in § 5.603 also do not apply to the Section 8 Rental Voucher Program. For the Voucher Program, in cases where the amount of the HAP payment exceeds the rent to owner, the excess will be paid to the family.

(iii) Section 5.607 (Income limits for admission) does not apply to the Section 8 Rental Voucher and Rental Certificate Programs.

(3) Applicants and tenants assisted under sections 10(c) and 23 of the 1937 Act as in effect before amendment by the Housing and Community Development Act of 1974 (42 U.S.C. 1410 and 1421b (1970 ed.)).

(b) This subpart does not apply to HUD's Indian housing programs. The analogous rule that applies to Indian housing is located at 24 CFR part 950.

§ 5.603 Definitions.

As used in this subpart:

(a) *Terms found elsewhere in part 5—(1) Subpart A.* The terms *1937 Act*, *elderly person*, *public housing*, *public housing agency* (PHA), and *Section 8* are defined in § 5.100.

(2) *Subpart D.* The terms "disabled family", "elderly family", "family", "live-in aide", and "person with disabilities" are defined in § 5.403.

(b) The following terms shall have the meanings set forth below:

Adjusted income. See § 5.611.

Annual income. See § 5.609.

Child care expenses. Amounts anticipated to be paid by the family for the care of children under 13 years of age during the period for which annual income is computed, but only where such care is necessary to enable a family member to actively seek employment, be gainfully employed, or to further his or her education and only to the extent

24 CFR Subtitle A (4–1–00 Edition)

such amounts are not reimbursed. The amount deducted shall reflect reasonable charges for child care. In the case of child care necessary to permit employment, the amount deducted shall not exceed the amount of employment income that is included in annual income.

Dependent. A member of the family (except foster children and foster adults) other than the family head or spouse, who is under 18 years of age, or is a person with a disability, or is a full-time student.

Disability assistance expenses. Reasonable expenses that are anticipated, during the period for which annual income is computed, for attendant care and auxiliary apparatus for a disabled family member and that are necessary to enable a family member (including the disabled member) to be employed, provided that the expenses are neither paid to a member of the family nor reimbursed by an outside source.

Economic self-sufficiency program. Any program designed to encourage, assist, train, or facilitate the economic independence of HUD-assisted families or to provide work for such families. These programs include programs for job training, employment counseling, work placement, basic skills training, education, English proficiency, workfare, financial or household management, apprenticeship, and any program necessary to ready a participant for work (including a substance abuse or mental health treatment program), or other work activities.

Extremely low income family. A family whose annual income does not exceed 30 percent of the median income for the area, as determined by HUD, with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 30 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Full-time student. A person who is attending school or vocational training on a full-time basis.

Imputed welfare income. See § 5.615.

Low income family. A family whose annual income does not exceed 80 percent of the median income for the area,

as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 80 percent of the median income for the area on the basis of HUD's findings that such variations are necessary because of unusually high or low family incomes.

Medical expenses. Medical expenses, including medical insurance premiums, that are anticipated during the period for which annual income is computed, and that are not covered by insurance.

Monthly adjusted income. One twelfth of adjusted income.

Monthly income. One twelfth of annual income.

Net family assets. (1) Net cash value after deducting reasonable costs that would be incurred in disposing of real property, savings, stocks, bonds, and other forms of capital investment, excluding interests in Indian trust land and excluding equity accounts in HUD homeownership programs. The value of necessary items of personal property such as furniture and automobiles shall be excluded.

(2) In cases where a trust fund has been established and the trust is not revocable by, or under the control of, any member of the family or household, the value of the trust fund will not be considered an asset so long as the fund continues to be held in trust. Any income distributed from the trust fund shall be counted when determining annual income under § 5.609.

(3) In determining net family assets, PHAs or owners, as applicable, shall include the value of any business or family assets disposed of by an applicant or tenant for less than fair market value (including a disposition in trust, but not in a foreclosure or bankruptcy sale) during the two years preceding the date of application for the program or reexamination, as applicable, in excess of the consideration received therefor. In the case of a disposition as part of a separation or divorce settlement, the disposition will not be considered to be for less than fair market value if the applicant or tenant receives important consideration not measurable in dollar terms.

Owner has the meaning provided in the relevant program regulations. As used in this subpart, where appro-

priate, the term "owner" shall also include a "borrower" as defined in part 891 of this title.

Tenant rent. The amount payable monthly by the family as rent to the unit owner (Section 8 owner or PHA in public housing). (This term is not used in the Section 8 voucher program.)

Total tenant payment. See § 5.613.

Utility allowance. If the cost of utilities (except telephone) and other housing services for an assisted unit is not included in the tenant rent but is the responsibility of the family occupying the unit, an amount equal to the estimate made or approved by a PHA or HUD of the monthly cost of a reasonable consumption of such utilities and other services for the unit by an energy-conservative household of modest circumstances consistent with the requirements of a safe, sanitary, and healthful living environment.

Utility reimbursement. The amount, if any, by which the utility allowance for a unit, if applicable, exceeds the total tenant payment for the family occupying the unit. (This definition is not used in the Section 8 voucher program, or for a public housing family that is paying a flat rent.)

Very low income family. A family whose annual income does not exceed 50 percent of the median family income for the area, as determined by HUD with adjustments for smaller and larger families, except that HUD may establish income ceilings higher or lower than 50 percent of the median income for the area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Welfare assistance. Welfare or other payments to families or individuals, based on need, that are made under programs funded, separately or jointly, by Federal, State or local governments.

Work activities. See definition at section 407(d) of the Social Security Act (42 U.S.C. 607(d)).
